

IT'S ROCKET SCIENCE

OSHC INCURSIONS

AVIATION & SPACE BASED HOLIDAY ADVENTURES

Ignite your school holiday program with our tailored vacation care adventures. Provide a perfect immersive activity to entertain curious children and stimulate their imagination. With direct access to hands-on experiences and creative projects, they will discover the wonders of flight and space technology.

Holiday learning fun for **all ages and abilities**.

CHOOSE A PROGRAM

Our specially designed OSHC and Vacation Care program is tailored to create memorable and insightful fun packed experiences where kids go away with huge smiles and loving STEM.

1 HOUR | 30 CHILDREN MAX PER SESSION

\$15*
/per child

*Price excludes GST. Minimum rates apply. Additional travel fee may apply to your service location. Full Terms & Conditions available at www.itsrocketscience.com.au

CLUB ROCKETEERS

Young engineers will discover the wonders of rockets, flight and space technology. Experience the excitement of building and launching water propelled rockets to altitudes over 60 metres high... all from a simple soft drink bottle!

THE GOOD STUFF...

- > THOROUGH RISK ASSESSMENTS
- > PUBLIC LIABILITY INSURANCE
- > BLUE CARD COMPLIANCE
- > MY PLACE, MY TIME FRAMEWORK
- > INCLUSIVE OF ALL AGES & ABILITIES

WE COME TO YOU, EVERYTHING DONE.

We keep your life simple, taking care of all the details. We bring everything needed for a memorable holiday activity.

Our interactive, engaging and educational activity will keep your students happy, with creative design and construction tasks, practical experiments and testing as well as the spectacular fun of launching rockets on the oval.
